Original: English

Letter dated 23 January 2013 from the Permanent Representative of the United Kingdom of Great Britain and Northern Ireland to the United Nations addressed to the President of the Security Council

I have the honour to inform you that the United Kingdom has, since Monday, 14 January, been providing logistical support to the military effort in Mali, undertaken pursuant to the request of the Transitional Government of Mali.

This support is in the form of two C17 transport aircraft, following a request by the French Government. Our Ambassador in Bamako has confirmed the provision of this support to the Transitional Government of Mali, and this has been welcomed.

I would be grateful if you could have the present letter circulated as a document of the Security Council.
